

Dear Friends and Wine Lovers,

We are extremely proud and excited to present you with the offer to purchase and enjoy our 2013 *Duration*.

**2013 *Duration* - Cabernet Sauvignon
Beckstoffer Missouri Hopper Vineyard**

The 2013 vintage gave us the extraordinary gift of enabling us to pick exactly what we wanted, when we wanted, at perfect ripeness and ideal hang time. Winemakers from around the valley agree; the 2013 vintage holds exceptional promise and potential and has exceeded expectations following on the heels of 2012 – another year that has been described as “nearly perfect.”

Tasting Notes

2013 *Duration* brilliantly reveals the full force power of a pure Clone 4 Cabernet from Beckstoffer Missouri Hopper Vineyard, masterfully balanced by monumental structure and a super sensual mouthfeel. The spectacular structure is beautifully rounded out by indulgent notes of blackberry and blueberry with hints of black currant and crème de cassis. Multidimensional mouthfeel and a skyscraper-like finish. It is fabulously open and a total thrill to smell and taste. This should continue to drink well for two decades.

Enjoy!
